SAFE ROUTES TO SCHOOL

CHILDREN CROSSING

Did you know the City has designated "Safe Routes to School"?

These are the streets that children traverse on their way to school. They include:

- Valley Dr
- Pier Ave
- Andrade Dr
- Hermosa Blvd
- 1st Street
- The Strand
- Hermosillo Dr
- Longfellow Ave
- Artesia Blvd
- Gould Ave
- 2nd St
- 5th St
- 8th St
- 14th St
- 16th St
- 21st St
- 27th St

Is the vehicle in your driveway or the front of your residence blocking sidewalk access?

The way you park in your driveway and in front of your residence impacts access to the sidewalks on these streets.

Please remember to BE AWARE & PARK WITH CARE!

Always park responsibly and keep sidewalks clear so that children and pedestrians are not forced to walk in the street.

Check to make sure your sidewalk is accessible to ensure our children's safety!

Are you sharing the road with young drivers?

- Don't blow through red lights, especially when children are walking to school.
- Slow down when approaching children on the sidewalk and be aware of moving traffic.
- Turn on your headlights when driving at night.
- Always stop for children crossing the street.
- Please avoid parking near schools for children in school zones, near playgrounds and parks, and in all residential areas.

Thank you for your patience on lawn signs! We are 'upcycling' the March 2016 signs. They are currently being spruced up and should be delivered in the next week!

If you've already requested a sign, you are on the list. If not, send me a note at staceyforhermosa@gmail.com and I'll add you to the list.
